If there is such strong support, why so little progress?

Is there hope…2025 Mansion Tax?

- Progressive: for £2 million properties and up.
- Paid by owners not tenants.
- Deferral: Protect the so-called “asset rich, cash poor.”
- Undergo a valuation process.

2026 Priorities

- Press for HM Treasury to conduct a thorough review of property taxes.
- Engagement with Parliamentarians, campaigners, think tanks.
- Ongoing social media campaign to maintain interest with wider public.

How can you help?

- Spread the word
