“The NPPF took power away from local authorities and handed it to developers”

Planning officer, Purcell and Ward, 2022

Quality-Led Planning Allocation:

- Open book accounting.
- Fixed developer profit, say 15%
- Design competition: best design wins.

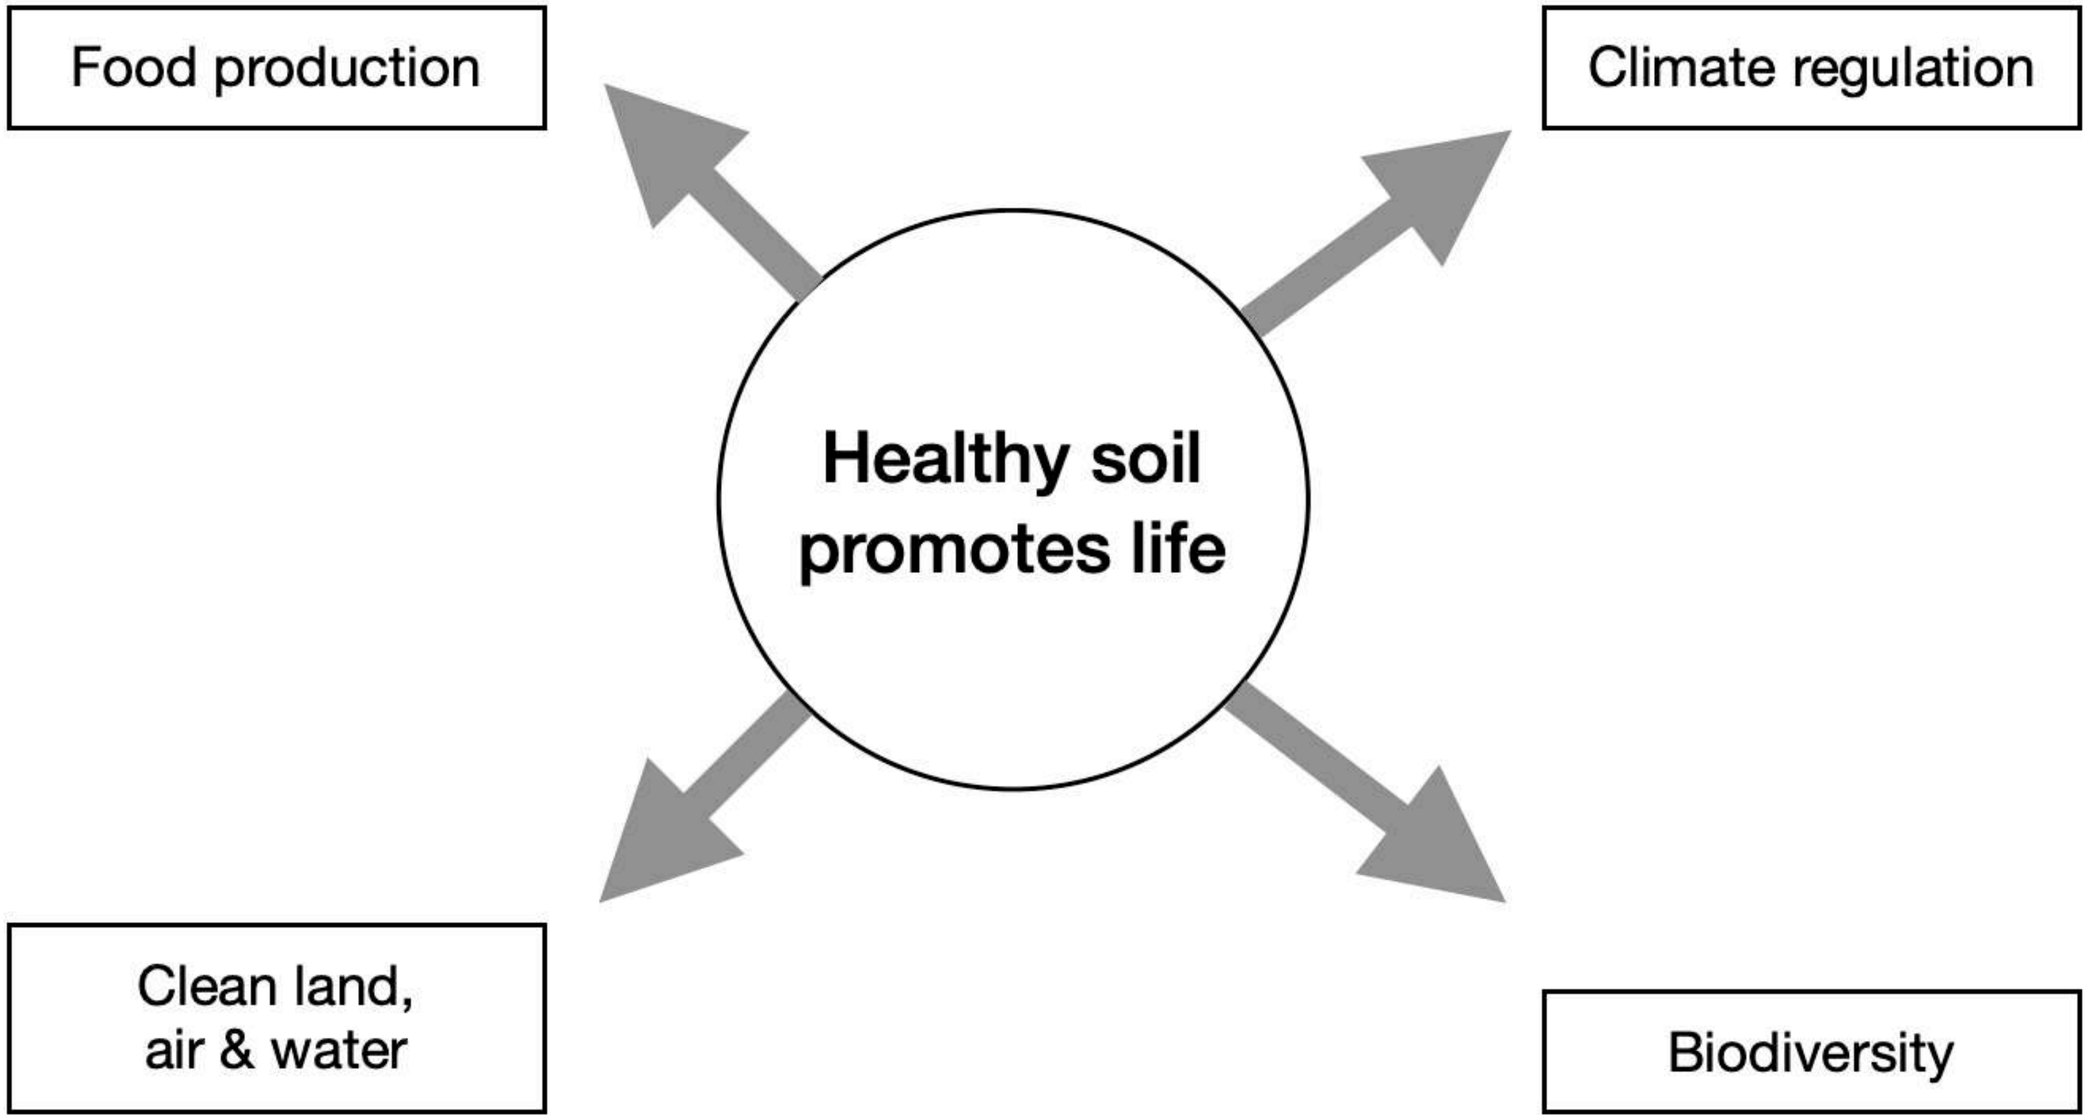

Michael Taite March 2026

Aligned incentives:

- Communities: get what they and their environment need
- Developers: get to build great projects with a healthy margin and low risks
- Landowners: get lower planning risk and more development opportunities
